

## UUCM Summer Service Schedule

Unitarian Universalists do take time in the summer to refresh their spirits at Star Island or Ferry Beach but rest assured that our church community is still in place. Less formal summer services are held each Sunday at 10 a.m. and we enjoy the chance to greet new visitors and to address topics of personal interest. Children are always welcome to attend but please be aware that there is no formal RE instruction during the summer months. Contact John Angelo [timelywriter@hotmail.com](mailto:timelywriter@hotmail.com), should you have any questions about our summer service schedule.
